BEAT THE FALL RUSH!

NOT ALL FURNACE AND DUCT CLEANERS ARE THE SAME!

GET THE POWER OF THE BRUSH!!!

- Most use only suction and compressed air!
- Our High-Tech Rotary Brush will scrub your entire duct system!
- Most hook up their suction to below the furnace and pull all the dirt through your furnace! We hook up above the furnace, and to only 1 part of the system at a time. Increasing suction further!
- Some use portable vacuums, or modified carpet cleaning equipment! We use Custom Built High Powered Vacuum Trucks that produce > 14,000 cfm of suction.
- Most take 1-1.5 hrs ...our method will take 2.5-3 hrs to complete an average house!

NOT ALL CARPET & UPHOLSTERY CLEANERS ARE THE SAME!

- At Advanced Carpet & Upholstery Cleaning we use only the most up to date Cleaning Procedures and Equipment Available!
- Our Company & our Technicians are Certified by the IICRC
- Our High Heat Truck Mounted Cleaning units produce up to 230°C steam, killing germs, bacteria, dust mites, etc.
- Now using Procyon All Natural Cleaning Products...
- Soap Free, Odor Free, Hypo-Allergenic, Non-Toxic
